DALS CREDIT SOLUTIONS CO.
22 S CHESTNUT ST
MECHANICSBURG, PA 17055-6549

Dear Lynette Stevenson

Welcome to the Management Services Acquisition Center (QR). This is to notify you that we received your offer 1077523 under the Solicitation No. 47QSMD20R0001, on 14 Apr 2022 and to briefly explain what will happen in the coming weeks.

Your offer has been assigned to Contract Specialist, Kelly Perry. This individual will be your point of contact for any questions.

(Note)

Kelly Perry is NOT the assigned Contract Specialist and is listed because this is an auto-generated letter. This offer will be assigned to a Contracting Team, and the assigned Contract Specialist will be the owner of this Offer. Once the assigned Contract Specialist completes the review of the offer, s/he will contact you. Please be aware that award for offers under the new MAS Consolidation solicitation is not until after GSA issues the modification moving all existing contractors to the new MAS Consolidation solicitation. Please feel free to follow GSA Interact MAS Group. If you need to contact GSA in regard to your pending offer, and you have not yet heard back from the assigned Contract Specialist, then please do so via Kelly Perry VIA EMAIL at Kelly.perry@gsa.gov. (End note)

Again, AFTER review the contract specialist will either contact you via telephone, e-mail or letter notifying you of any deficiencies associated with your offer. Once all administrative issues are addressed, the contract specialist will continue the review to determine that you are a responsible contractor and the prices you offer are fair and reasonable. Once this review is completed and all administrative issues are addressed, the contract specialist will contact you to begin negotiations, if necessary.

While you are waiting for GSA to process your offer, we encourage you to make the most of this time by continuing to educate yourself about the (1) GSA Schedules program, (2) GSA Schedule contract holders whose offerings complement yours, and (3) marketing and networking to prospective federal clients.

GSA has provided resources to review in the meantime:

- (1) GSA Schedules (<https://www.gsa.gov/buying-selling/purchasing-programs/gsa-schedules>)

We particularly invite you to read the Multiple Award Schedules (MAS) Desk Reference guide, which provides detailed information about the MAS program. This information is primarily intended for GSA's customers but provides valuable information about how agencies use MAS contracts.

- (2) Schedule Contract Holders and Catalogs <https://www.gsa.gov/feeds/101/25> Page 2 of 26
PageID #: 4638

(3) Marketing to Federal Government (<http://interact.gsa.gov/groups/contractor-success>)

We encourage you to read material and view videos via the link above so that you may begin actively marketing your services to prospective federal clients and have a running start at winning business if a contract is awarded.

(4) Join GSA's Interact.gov forum, particularly the Multiple Award Schedules group. Here you will find the latest news about the MAS program, including industry webinars, MAS solicitation announcements, and other newsworthy items. Registration is free and open to the public.

Once again, the GSA Contract Specialist assigned to your offer will be in contact with you when the evaluation of your offer commences (Kelly Perry is not the offer owner). Between receipt of this letter and first contact from your assigned Contract specialist, an appropriate point of contact will be NCSCcustomer.service@gsa.gov.

We appreciate your patience and look forward to working with you on your offer!

Sincerely,

Kelly Perry
